BLOOMFIELD, N. J. FRIDAY, FEBRUARY 6, 1880.

NO. 368.

Our need of the Poor.

week. The best thought expressed in

investigate that case of distress because you did that want to take the trouble, you deprived a needy family of a pecuniary benefit. But that was not all. You deprived yourself at the same time You deprived yourself at the same time and empires. Republican institutions—

tory for us who remain. We can note governmental progress by the process of General Assembly of the State of New wood avenue we are our pulsons and the from this municipalities, monarchies, assessor of each and every township in this State to make out and cause to be deavor to make it as

"differences of ability," therefore, principles of morality and religion than the publication has been made; but the

"while the world stands there must years sgo. Educate and elevate the exceed five cents per name for each be the rich and the poor." It may be poor. Level up. Do not wait for the newspaper in which the name shall be measurably true that there will always brutal, leveling down process of war and be inequalities as to ability and wealth, but it is evident from the teaching of the Scripture, that equality rather than been divinely ordained. It is certainly true that Christ provided a definite plan for the abolition of poverty.

Human obedience to the natural laws provided for the government of the universe and welfare of the race—the sim. ple laws of divine order-would surely abelish crime and poverty, and such ity enlightened by the example of She was very much demonstrate what he said, the Lord Jesus Christ. To deny this is: My lessons are hard separately it must a obedience is not impossible in a commuto deny the plenury efficacy of His gos- them.

porting an aristocratic, non-working class upon the wealth created by those who labor. By far the largest proportion of existing evils in the form of in- Deportment either "Excellent" or "Fair" temperance and other crimes, great or and in their studies either "Perfect" or small, are traceable directly to human, "Good," as shown by their Mouthly Re-(or rather inhuman), unrighteous laws port Curds for January: sanctioning usury, in effect nullifying. to a great degree the command "Thou winis Taylor shalt not steal." This may be severe, Addie Roubaud but Christ drove the "money-changers" Freddie out of the Temple, declaring that they Eruest Could had made it a den of thieves. Who are Ross Thompson the "changers of money"? The word Famile Brought so translated (kermatistas) means usarer; Annie Johnson discounter; and is derived from keiro. meaning to clip off, to shear, to rob, or despoil. And the term money-changer Ethel Harves, Zilla Cadmus as applied to Wall street operators and Em gamblers at the present day has lost none of its old significance. The for- Venie Berstiel tunes that have been mostly won in that | Annie Haw central source of iniquity, aggregating Nettle hundreds of militions, have become a Daisy Tanner Willie Kinsa power which has already enslaved the liberties of the people. We are but nominally freemen, practically slaves to Jennie Irwin the holders of this vast wealth. Wall Lillie Meeker Street controls not only the making and Pen enforcing of laws, but also, through press and pulpit, public opinion and religion. The people imagine that they, I govern themselves, when they cust a ballot in favor of this or that candidate. Clars Hempe but are beginning to realize that they Emphania I are being systematically sold out at the polls, just as the betters upon boat races. and walking matches are by those who manage "the machine." They are awaking from their apathy and revolving the question, How long shall we by duped by demagogues? Shall the idrificed to the interests of corporations duced in the Legislature are the follow-odist. Churches. Protracted meetings by postal order hand discussions. terests of humanity continue to be sac-Greed make the laws, rule the land and impoverish and debauch the people?

Republic and civilization perish as did act to provide for the publication of as The above is the subject of a sermon that of Rome? We hope not. There is this in our favor: A real Christianity, Whereas, It is believed that large independent of errors in gread and down the sermon is embodied in an illustration given of the benign truth, that in relieving the temporal wants of the needy, we minister to our own spiritual necessities. We quote:

"When you declined the other day to investigate that case of distress because governmental progress by the pr

of a spiritual benefit. Yen missed a chance to exercise, and to learn by exercising, something of the gracionsness and sympathy of your blessed Lord."

Much that follows this lesson inculcating the divine sentiment of charity for the poor meets with our unqualified endorsement, but we regret to find also expressed the manifestly erroneous opinion that "Christ proposed no plan for abolishing poverty," and hence the argument, based upon a false premise, that destitution is inevitable, and that as God has created mankind with "differences of ability," therefore,
